PHILADELPHIA MAN IS FATALLY HURT AND 4 OTHERS INJURED WHEN AUTO STRIKES POLE IN BENSALEM TOWNSHIP

One of Quintet Dies 24 Hours After Crash—Driver Uninjured—Some Thrown From Wreckage—Hulmeville Man Arrested As His Car and One Operated by Langhorne Clergyman Collide.

One of six young Philadelphia men involved in a one-car accident late Saturday night was fatally hurt, four others were injured, and the driver escaped injury. The accident took place on the old Lincoln Highway, near the intersection of Street Road, Bensalem Township, the machine running off the thoroughfare at a curve, skidding and striking an electric pole which was snapped off by the impact.

The dead:
David Conawell, 26, of N. 9th street, who died as the result of a depressed fracture at the base of the skull. Death occurred in Nazareth Hospital, Philadelphia, at 11.35 last night, just 24 hours after the crash.

The injured:
Robert Hood, 17, N. 8th street, deep laceration of the forehead, laceration of the chin and face.

Charles Stevens, 19, of W. Norris street, lacerations of head and contusions of chest.

Walter Kearns, 17, N. 9th street, laceration over left eye.

Wilfred Leopold, 22, N. Marshall street, slight concussion and laceration of scalp.

Hood remained in Nazareth Hospital overnight, while Stevens, Kearns and Leopold were released after treatment.

The driver of the machine, Rudolph E. Dunne, 9th street, Philadelphia, escaped injury.

The five injured were rushed to the hospital by members of Parkland First Aid Station. Some of those hurt had been thrown free of the wreckage, it is stated, and the car was greatly damaged. The machine, according to the records of Private Beckhart, of Pennsylvania Motor Police, is jointly owned by the driver's father and brother. It was necessary to tow the car from the scene of the accident.

Dunne was released under \$500 bail on the charge of assault and battery; but will be re-arrested on a charge of involuntary manslaughter, due to the death of Conawell.

A Langhorne clergyman and a Hulmeville man were involved in a two-car crash on Durham Road, South Langhorne, at 7.20, Saturday evening.

Week's Spinach Crop Gets A Broad Market

NEW YORK, Oct. 27—Growers in Burlington County, N. J., and Bucks County, Pa., marketed a tonnage of spinach equivalent to 14 carloads during the week ended October 18th through the Atlantic Commission Company, produce-buying affiliate of the A & P food stores, the company reported here today.

The spinach was distributed by the food chain to major markets in three states through retail stores served by distribution points at Scranton and Philadelphia, Pa.; Baltimore, Md., and New York City, H. A. Baum, general manager of the buying company said.

The substantial volume moved from the area by the A & P and other distributors, coupled with other market developments, was sufficient to maintain a stable market during the week, the report said.

Most of the purchases by the commission company were made directly from growing areas through the organization's field office at Riverton, N. J., with the remainder being made up of spot purchases at retail distribution points, Baum said.

PUBLIC SERVICE: POLICE PROTECTION

A good police force does more than bring the criminals in a community to justice. It serves to prevent crime. The Borough of Bristol has a police force that does both these things to a high degree.

When it comes to apprehending criminals and having them convicted, the local force has a truly amazing record. In fact, in 1940 the record was perfect. Every arrest led to a conviction—100% proof that local policemen know their jobs and put their knowledge into practice. A saving of community funds also resulted, because no jury trials were necessary—every suspect entered a plea of guilty.

This record has been duplicated in every respect for the current year to date—every arrest resulting in a plea of guilty and a conviction.

This efficiency clearly has affected the crime record of the Borough. There has been one murder committed here in seventeen years. The major crimes have all been robberies.

How did the Borough get this top-notch police force? Like every other community improvement, it came from the wise policies of the elected Borough Council. Bristol had an efficient force to safeguard law and order. But anticipating an increase in traffic and in protective problems with the rapid influx of defense workers, the Borough Council has added three more men to the force in the past six months. This brings the personnel to nine patrolmen and the chief of police. Also, at the end of last year, a two-way radio set was installed in the police patrol car, greatly increasing the effectiveness of the entire force.

Previously a patrolman could be summoned by headquarters only by ringing the eleven callboxes distributed through the town. The radio makes it possible to contact the patrol car immediately anywhere; the car, too, can be in communication with headquarters. With two patrolmen, it cruises at night and part of the day, averaging 90 calls a month over its two-way, 50-watt radio. This set has an effective radius of at least 25 miles and is much more powerful than any used by neighboring communities.

In addition, the callbox system is still employed, with patrolmen on duty calling in to headquarters every half hour. This year's record of arrests proves there was a real need for the precautions taken by Council. To August there had been 124 arrests; the same period last year showed 102.

The farsightedness of the Borough Council was further demonstrated in the inauguration two years ago of the one-way street system. The present heavy traffic flow in Bristol would be hopelessly snarled now, had this plan not been in operation. Traffic movement and safety have been provided for, also, with the erection of stop-signs at practically all main highway intersections, and with additional traffic lights. At the rush hours now a patrolman is stationed at Mill street and the highway to direct traffic.

George Willauer Takes
Lillian Reynolds As Bride

A pretty autumn wedding took place on Saturday afternoon at four o'clock in Bristol Methodist Church when Miss Lillian Reynolds, daughter of Mr. and Mrs. William Reynolds, Griebel avenue, Edgely, became the bride of Mr. George L. Willauer, son of Mr. Edwin Willauer, of Norristown.

The Rev. W. E. Preston Haas was the officiating clergyman. The attendants were Miss Arlene Reynolds, a sister of the bride, as maid of honor; Miss Evelyn Buck, Bristol, and Mrs. Alvin Hammond, Edgely, a cousin of the bride, as bridesmaids, and Miss Constance Gould, flower girl.

Mr. Joseph Harper, Norristown, served as best man, and Mr. Elwood Willauer, brother of the groom, and Mr. Ira Snyder, Norristown, were ushers.

Mrs. Samuel Smith, Edgely, organist, rendered several selections prior to the ceremony, and played Lohengrin's wedding march as the bridal party entered the church. Mrs. Howard English sang "I Love You Truly," "Because" and "Thine Alone."

Entering the church on the arm of her father, the bride looked lovely in a creation of satin and lace, patterned on old-fashioned lines, with long, full sleeves ending in points over the hands. Lace inserts enhanced the neckline, and a vertical panel of lace appeared on the skirt. The long, full skirt featured a shirred waistline, and ended in a long train. She wore a finger-tip veil edged with lace which fell from a crown of seed pearls. White satin sandals completed her costume, and she carried an old-fashioned bouquet of white roses.

The maid of honor was attractive in a gold taffeta gown, trimmed with lace. It had short puffed sleeves, sweetheart neckline, full skirt trimmed with a flounce of lace. She wore a gold velvet hat trimmed with lace; gold slippers, and carried a colonial bouquet of mixed flowers. Miss Buck was attired in a gown of Queen Anne blue, trimmed with lace, and fashioned like that of the maid of honor. Her blue velvet hat was trimmed with lace. She wore silver slippers and carried a bouquet of blossoms.

Mrs. Hammond wore a coral taffeta gown, made on similar lines, with a matching hat and silver slippers, and carried a mixed bouquet.

Little Constance Gould wore a floor-length dress of pink net over blue taffeta, pink hat, white sandals, and she carried a nosegay of mixed flowers.

The bride's mother wore a blue velvet dress trimmed in gold, black accessories, and a corsage of small yellow chrysanthemums.

A reception was held in the Methodist banquet hall, covers being placed for 100 guests.

Mr. and Mrs. Willauer left on Saturday evening for a two-day motor trip. Mrs. Willauer wore a black velvet suit trimmed with white, black velvet hat, black accessories, and a fur jacket.

The bride presented her attendants with necklaces of stones to match the color of their gowns. The men were presented with key chains.

The former Miss Reynolds is a graduate of Bristol high school, and is employed in the office of Manhattan Soap Company. Mr. Willauer is a graduate of Norristown high school, and is employed by Fleetwings, Inc. The newlyweds will reside temporarily at the home of the bride's parents.

GRAND THEATRE

Once again Spencer Tracy proves his right to his place as a two-time Academy Award winner with his portrayal of that favorite of fiction, "Dr.

Jekyll and Mr. Hyde." Sharing honors with the star in the new picture, currently playing at the Grand Theatre, are Ingrid Bergman and Lana Turner.

Surprise of the M-G-M production is the casting against type of the two leading ladies. Contrary to expectations, Lana Turner is the sedate Beatrice Emery, and Ingrid Bergman the little barroom entertainer, Ivy Peterson. Both prove their versatility in the unusual roles. One of the highlights of the drama is Miss Bergman singing "You Should See Me Dance the Polka" to the befuddled Mr. Hyde. Miss Turner, in her best role to date, proves herself a front-rank performer.

ROSSER AND CAPRIOTTI TEAM IN 92-YARD TOUCHDOWN GALLOP AS BRISTOL WINS ITS FOURTH STRAIGHT FROM BORDENTOWN XI

(By Jack Gill)

Bristol High School, held in restraint for one half of the game by a stubborn Bordentown opponent, continued to command the local grid world Saturday afternoon, winning through with 12 points in the second part of the ball game and an ultimate 12 to 6 victory.

The cocky Bristol team does not know how to be thwarted now that it is on the triumphant march. Last week it recoiled from a slim 7 to 6 lead over P. S. D. to run rampant in the latter part of the contest and tab a 19 to 6 win. Saturday the Bunnies broke a 0-0 stalemate by going into a 6-0 advantage and were forced to overcome a 6-6 knot in the final chapter to edge out a hard earned 12-6 verdict.

There may be individual stars in Bristol's grand parade back up the football ladder to the respected spot they once held. Armand Capriotti, ambidextrous high scoring back; Skomps Scancellia, hard charging line smasher; Nick Melidio, punter and passer par excellence; Lou Galzerano and Ken Rosser are the boys who are carrying the ball and who capture the crowds' fancy.

But "down in the muck" of the line some durable football is being played. From stem to stern, the forward wall is charging hard on the offense to open wide holes for these boys to speed through. Four touchdowns have been tallied during approximately 240 minutes of actual playing time, which is a credit to the team's defensive record. And one of those four tallies came via a pass interception. Potenza, Cialella, Vandegrift, Vasey, Herman and Smoyer have all shown rugged body contact qualities.

Armand Capriotti directly manufactured Bristol's winning touchdown against Bordentown, but part of it was a by-product of Skamper Scancellia, who indirectly set up the score with a series of fine line smashes. Once again the Cardinal and Grey combination utilized its talented group of squadmen to advantage. Starters this year at Bristol mean little. Reserve backs and linemen are rushed to the scene during intermittent intervals by Head Coach Clarence Bartholomew, who is pulling a modern Grim's fairy tale with the ball club that won but one football game during the 1940 season.

Capriotti sparked the winners to many a long gain. However, late in the fray this fine running back, who can espy an opening with quickness and dart through with elusive twisting motions, was met by Bill McKay, Bordentown left end, who chose to play a drifting game at his wing post. Even at that, Capriotti shone and came through to hang up the Cardinals' game-winning touchdown, a one-yard bash off tackle.

Nick Melidio, a new find, was ushered into the scrap extensively in the second quarter. Nick is the best passer on the squad, and he calmly pitched an aerial to Capriotti to advance the ball to within scoring distance. But most of all, Melidio's long punting gained valuable yardage. On almost all of the punt exchanges in the last half, Bristol picked up from 10 to 20 yards.

Bristol started fast in the opening quarter and appeared to be "hitting the road" for an early six-pointer. Capriotti stunned Bordentown with a 25-yard dash by taking the ball from the short man off tackle. It advanced it to the 35-yard line, from where Scancellia, who was once again terrific, powered his way ten more yards to the 25. Galzerano then picked up five yards and Scancellia spun beautifully to the 10 and another first down. From this point it was first down and goal to go. Capriotti and Scancellia went as far as the one in three plays. Then, on the final try, Capriotti slung a pass to Scancellia that was over his head. Bordentown, after putting up a plucky defense, booted out of danger.

Ken Rosser and Capriotti pulled the play of the year in the third quarter. Bordentown kicked on to the Bristol eight-yard line. Capriotti snatched the ball and started up the center of the field. Nearing the 30-yard stripe, Rosser came up fast to take a reverse. Cutting slowly toward the left side line, he sped the remaining distance, unmolested. In all, it was a sensational 98-yard play and had the stands in an uproar. The entire Bordentown line was decimated to the right on 19, play and never had a chance.

But the homesters almost lost the game away in the same third period. Ahead by a 6-0 lead and with the ball resting on their own 30-yard line, the Bunnies elected to pass. Joe Papp intercepted Capriotti's toss and went 25 yards for a touchdown. The pass went to the flat, of all places, and placed the locals in a delicate situation. Papp then threw a pass that was near no one and the game was tied at 6-6.

Melidio opened the fourth canto by booting from his own 40 over the Bordentown goal line. After three line plays lost yardage, Reeves pointed back to the Bordentown 40, Bristol picking up 29 yards on the exchange. Capriotti then put on a sustained march (22 yards for their game-clinching score).

Capriotti and Scancellia led this interesting drive. When these two boys open up, there has been little that opposing teams can do to muzzle them. The line opens holes wider than a dentist pries his patient's mouth apart. "Cap" went over from the one-yard line and Bristol cashed in on a 12 to 6 win.

FALLS ALUMNI HOLDS RIVALS TO SCORELESS TIE

MORRISVILLE, Oct. 27—A light but determined Falls Alumni eleven held the Trenton Eagles to a scoreless tie on Island Field yesterday before the largest crowd of the season.

With a weight advantage that reached close to 20 pounds to a man, the Eagles reached the Falls' scoring territory four times but never could push the ball over.

The Alumni boys had the ball within the Eagles' ten yard stripe on two occasions but were held for downs. Leading the Fallsington team offensively was "Poppy" Lovett who ripped off gains of 50, 35, and 39 yards, all from scrimmage plays. Lizzano, Eagles' fullback, was the chief ground-gainer for the Jersey club.

The game was the fifth of the season for the Alumni club who now have four wins and a tie with Langhorne being the opposing club for next week. **Falls Alumni Team**

In a fast, bruising, roller hockey game at McNally's Rink New Brunswick, N. J., Saturday evening, the Bristol Ramblers defeated the Jersey boys by the score of 2 to 0.

The game was chock full of exciting action, vicious blocking and nasty spills, with both clubs trying to avoid fights.

The Bristol boys scored in the first and second period on goals from the sticks of Bud Ritter and Jack Bowen.

Every member of the new Bristol Ramblers, formerly the Croydon Ramblers, played exceptionally good hockey and are looking forward to a great season for the new club.

PUBLIC SERVICE: POLICE PROTECTION

Proof that this policy is working likewise comes from the records. This is the third consecutive year without a traffic accident fatality. In the same period there have been only four serious injuries in automobile accidents.

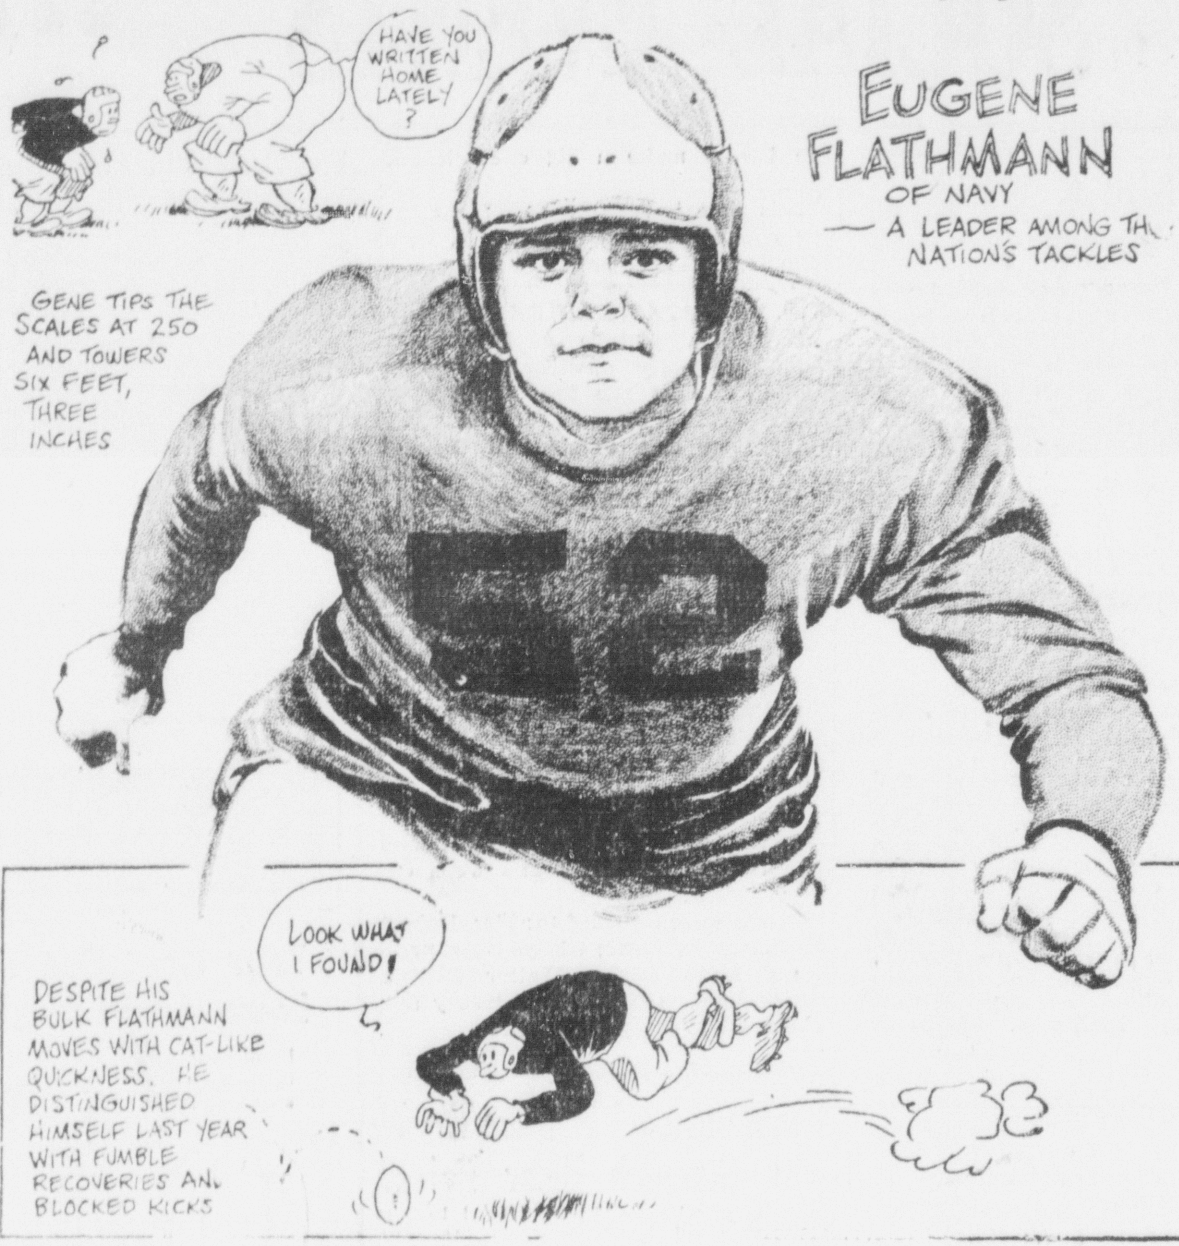

Every aspect of the record of the Borough police force is so impressive that each citizen should be proud of it. But even more, each citizen should realize that this service should not be taken for granted. It didn't just happen. The Republican administration of the Borough worked and planned to bring it about. Through the years they have supplied Bristol with police protection second to none.

Can any citizen ask for more than that?

County Council." Mrs. Franz reminded that "In unity we have power. The Parent-Teacher Association is the second largest organization in the county, and is often referred to as the largest democratic organization." The speaker told of the uniformity of the work through plans of the National Congress of the P. T. A. She also dwelt at length on the benefits of the conferences and congresses conducted as well as the schools of instruction.

Mrs. Franz discussed the mechanics of the County Councils, as they differ from the state and national groups. She reminded that every person joining a local P. T. A. group is automatically a member of the state and national P. T. A.'s; but that the County Council is considered as made up not of the individuals, but as being composed of local units.

In the afternoon Colonel Churchill Williams, head of the Bucks County Emergency Police, spoke upon the subject "The P. T. A. in Bucks County Defense." He spoke of the work being done along defense lines in the county, and told of receiving letters from Mayor LaGuardia of New York, and also from U. S. Army officials, in which statements were made to the effect that Bucks County work is set as a model before the rest of the country, due to the splendid and thorough manner in which it has been worked out. Colonel Williams told how the men of the county are being trained for police work, and mentioned the activities of the women in caring for housing problems along with the men; in registering of refugees, giving time to food conservation problems, etc. The speaker gave information on the manner in which the men of Bucks County are policing

the highways from time to time, so that if it becomes necessary for troops to march, the roads will not be blocked with individuals.

Mrs. Samuel Permar, who represents the Bucks County P. T. A. on the County Defense Council, spoke of a survey made by the P. T. A. of undernourished children in the schools of the county, the number of such being between 600 and 700. Mrs. Permar asked that all local associations try to use the surplus commodities to reduce undernourishment.

Another speaker of the afternoon was Mrs. Anna dePlanter Bowes, of the Pennsylvania Department of Health. Mrs. Bowes, speaking upon "Nutrition," used slides to illustrate her talk. She showed how some of the more economical food-stuffs can be used to get sufficient vitamins for a healthy body.

The Summer Round-Up was reported by Mrs. Alvin Pratt, of Morrisville. Mrs. Pratt told of the number of associations in the county which may possibly receive certificates for completion of the Round-Up, which means complete registry of the beginners, and completion of physical check-ups.

Two committees were named during the day. Those selected for the nominating committee were: Mrs. Harold Lamb, chairman; Mrs. Evan Stover, Mrs. Kester, Mrs. Marvin Young, and Charles Boehm, superintendent of Bucks county public schools. A committee named to inquire into establishment of a health project in Bucks county includes: Mrs. Alvin Pratt, chairman; Mrs. Bloch, Mrs. Harold Holmeslaw, Mrs. Warren Bletsch, Mrs. Call, Mrs. Wheeler, and Mrs. Minerva Epstein.

KICK BY RUE AIDS ST. ANN'S TO WIN SECOND GRID GAME

Bristol Team Wins Over Willow Grove by Score of 6 to 0

PALUMBO IN THE LINE-UP

Bristol Boys Put Up A Good Game Against Their Opponents

WILLOW GROVE, Oct. 27—A "coffin-corner" kick from the toe of "Jimmy" Rue aided the St. Ann's A. A. team to win their second triumph of the season here yesterday on the high school field. Final score stood: St. Ann's, 6; Willow Grove, 0.

Rue's boot from the 30 yard line was about to roll out of bounds on the Willow Grove one-yard line. Rather than be placed in such a situation, Quarterback Taylor attempted to pick up the pigskin and run with it. But the minute he picked the ball up, he was hit by three St. Ann's linemen and he fumbled.

The ball was recovered by Elwood Mount just one and one-half yards from the goal line. Here the Willow Grove line braced and held for three downs. On the fourth try, Palumbo reversed the ball to Killian who was trapped for a 10-yard loss but he eluded two would-be tacklers and then picked the sidelines for a dash over the goal-line for the only score of the game. Proty's try for conversion was wide of the uprights.

St. Ann's almost had a touchdown in the final play of the tilt. Willow Grove had just completed a pass which brought the ball from their 10 yard line to the St. Ann's forty. Here another pass was attempted but Pleban short-circuited it and made a mad dash down the field with Teddy Sak leading the interference. Sak bowled over two of the Willow Grove players but in doing so forced Pleban to change his course and as the result he was tackled from behind just ten yards away from the goal-line.

The Grovers only opportunity to score was late in the second quarter. Recovering a punt fumble by Scott, the Pannacion-coached team took the ball on the St. Ann's 15 yard line. Rushing for time, they completed a pass which put the ball on the 8-yard line. A line play gained three yards but the mighty forward wall of the Purple and Gold held for two downs as the period ended.

The game proved that the St. Ann's team has "discovered" a triple-threat backfield player in Tony Palumbo. Palumbo for the first time donned a football uniform and in the opening kickoff ran the ball back a total of 55 yards. Several other times, Tony got off for nice runs of 15 and 20 yards. He did all the St. Ann's passing and only the fact that the St. Ann's wing-men were not accustomed to such long-throwing of passes prevented several other touchdowns. Palumbo also did quite a bit of kicking in the contest.

Defensively Teddy Sak and Pizzullo were outstanding in the St. Ann's victory although as usual, the forward wall held up as well as it did in previous contests. Rue when called to punt did some nice booting. Benny Fonck returned to uniform and made several nice gains through the line.

Between halves, the Willow Grove Cadets played and drilled.
